

"The Classic 50 stand is surprisingly sturdy, yet lightweight and easy to move. High school and middle school students can be rough on equipment, and these stands can take a licking."

– Basil Kerr, Band Director, Charleston County School of the Arts, North Charleston, South Carolina

Charleston County School of the Arts, North Charleston, South Carolina

MUSIC STANDS

Bravo™ Music Stand
Pages 22-23

Heavy-duty, impact-resistant polycarbonate desk with double tray. Five colors.

RoughNeck® Music Stand
Pages 22-23

The metal stand that's still the standard for quality.

Classic 50® Music Stand
Pages 22-23

Built from tough, durable polycarbonate that flexes but will not bend or dent like metal.

Preface™ Music Stand
Pages 22-23

An economical alternative. Lightweight aluminum desk.

Stand Lights
Page 24

Electric or the latest design in battery-powered LED lighting to help you see your music in a new light.

Gig Stand® Folding Music Stand
Page 25

Patented, fold-down design makes this a great portable stand. Perfect for groups or individuals who travel frequently.

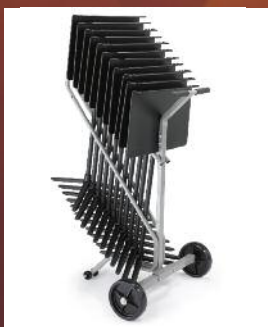

Portastand™ Folding Music Stand
Page 25

An economical traveling stand for musicians. Nylon cordura covering also serves as a music portfolio.

Acoustic Shield
Page 26

Effectively reduces damaging sound energy when placed directly behind the head of a musician.

Music Stand Carts
Page 27

Make the cumbersome task of carrying and organizing your music stands easy.

Flex™ Conductor's Stand
Pages 30

Sturdy, stylish and easy to move. Large desk and optional baskets give directors lots of room.

Preface™ Conductor's Stand
Page 33

Gives conductors big, solid performance and easy storage.

Director's Stand
Page 33

A lightweight, easy-to-use stand with a traditional tripod base.

Wenger Music Stands

Wenger music stands are built to withstand wear and never wobble. From the nearly indestructible Bravo music stand that won't chip or dent to the traditional elegance of the Classic 50 stand to our RoughNeck stand, which is still the standard for quality metal performance.

There's also our Preface™ music stand – the reliable, lightweight stand with an economical price. It features one-hand adjustment and wobble-free base. The recess in the desk tray allows for stands to nest tightly for storage.

Music stands should look great and work great for years, without you having to worry about them. That's why it makes sense to invest in Wenger quality.

Orchestra Light

The LED Orchestra Light is the brightest, most efficient, most versatile music stand light on the market.

- Nine LEDs illuminate up to four pages of sheet music
- Two brightness levels
- Powered by an AC adaptor or 3 AAA batteries
- Sturdy spring clip for attachment to stand
- Flexible gooseneck for precise adjustment

Durable zipper bag included.

237A033 Orchestra Music Stand Light, 8 oz (0.2 kg)

Battery-Operated Stand Lights

Compact, attractive, and adjustable, these battery-operated stand lights work with all Wenger stands. Features all-LED technology, so no bulbs to replace.

Duet LED Music Stand Light

Duet II LED Music Stand Light

Environmentally
responsible
Saves Energy

- Dual flexible arms provide infinite maneuverability
- Luma Lenz™ provides evenly distributed light with no hot spots
- Extra strong grip clip
- Uses 3 AAA batteries (not included)
- Duet II contains 2 super LEDs on each head, each with its own switch
- Duet II includes AC adaptor (110-240 volts)

237A026 Duet LED Music Stand Light, 3.5 oz (0.1 kg)

237A027 Duet II LED Music Stand Light, 4 oz (0.1 kg)

Electric Stand Light

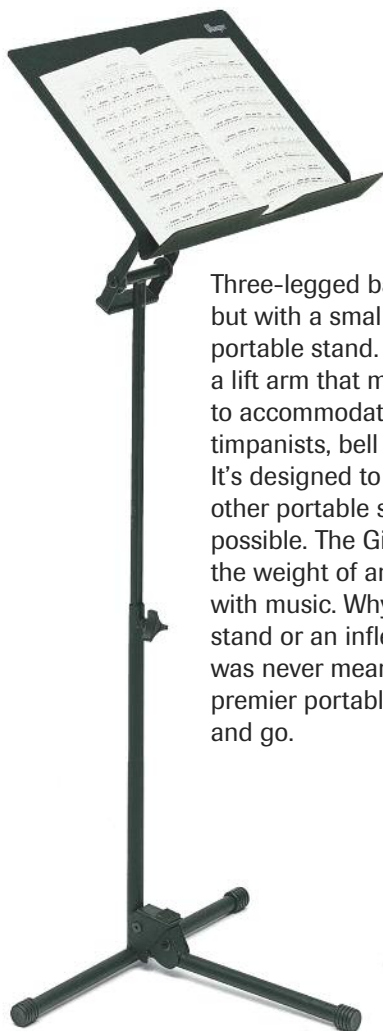

Classic stand light that fits all Wenger stands, and most other manufacturers' stands.

- Heavy-duty with black finish
- Includes 40-watt bulb and 6' (1.8m) electrical cord

1090001 Music Stand Light, 14 oz (0.4 kg)

Note: A converter is required for international use. Please ask your Wenger rep for more information.

Gig Stand® Folding Music Stand

Three-legged base provides superb stability but with a small footprint – rare for a highly portable stand. The Gig Stand also features a lift arm that moves the desk up and down to accommodate the special needs of timpanists, bell choirs, and jazz musicians. It's designed to lock into solid positions that other portable stand makers didn't think possible. The Gig Stand also stands up to the weight of an oversized portfolio loaded with music. Why settle for a flimsy travel stand or an inflexible classroom stand that was never meant to travel? Just fold up this premier portable stand, grab the handle and go.

A handy shoulder tote is available for the Gig Stand folding music stand.

USAGE

The durable, reliable, flexible, stable traveling stand

PERFORMANCE REQUIREMENTS

- Unique swing-lift arm adjusts desk height from 10" to 42" (25 cm to 107 cm), desk lip to floor
- Durable powder-coat finish resists scratching and chipping
- 16-gauge steel tube and base

CONSTRUCTION

- Folds down to 4⁵/₈" x 24¹/₂" x 20" (12 cm x 62 cm x 51 cm)
- 14" x 20" (36 cm x 51 cm) aluminum desk
- 9 lbs (4.1 kg)
- Five-year warranty

ORDERING INFORMATION

- 143E001 Gig Stand, 9 lbs (4.1 kg)
143A041 Shoulder Tote, 1 lb (0.5 kg)

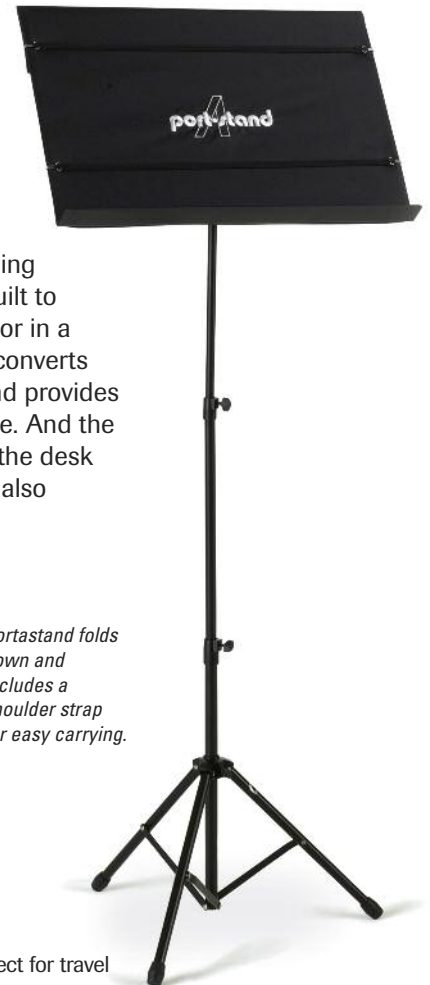

Portastand® Folding Music Stand

Portastand is the ultimate traveling companion for musicians. It's built to travel with you on a bus, plane, or in a car. Its stable, compact design converts easily to a solid desk surface and provides a broad height adjustment range. And the nylon cordura covering around the desk not only looks professional, but also serves as a music portfolio.

Portastand folds down and includes a shoulder strap for easy carrying.

USAGE

A solid, easy-to-carry stand that's perfect for travel

PERFORMANCE REQUIREMENTS

- Extra wide shelf comfortably displays three sheets of music
- Equipped with two wind resistor straps to help secure music
- Converts quickly and easily to a tabletop stand
- Adjustable height allows it to be used sitting or standing
- Lightweight for easy transportation
- Removable shoulder carrying strap
- Storage for three pens/pencils

CONSTRUCTION

- Heavy duty black steel desk
- All-metal tripod adjustable base
- Cover available in four colors: black, burgundy, dark green, navy blue
- Creates orchestral-sized desk – 21" (53 cm) x 14" (36 cm)
- Height range 28" (71 cm) to 58" (147 cm) to top of desk; 18" (46 cm) to 48" (122 cm) desk lip to floor
- 8 lbs (3.6 kg)
- One-year warranty

STORAGE

- Stores compactly
- Nylon cordura jacket creates music portfolio
- Integrated pen/pencil storage
- Tripod storage and storage straps
- Washable nylon cordura cover

ORDERING INFORMATION

- 143A200 Black - Portastand, 8 lbs (3.6 kg)
143A201 Navy - Portastand, 8 lbs (3.6 kg)
143A202 Burgundy - Portastand, 8 lbs (3.6 kg)
143A203 Green - Portastand, 8 lbs (3.6 kg)

Acoustic Shield

Effectively reduces potentially damaging sound energy. Portable design makes it easy to place in the best position. Unique cantilever arm extends over chair backs just behind the head of the musician. Folds compactly, with built-in carrying handle. Low-profile base provides excellent stability without interfering with feet or stands.

- Large 23" x 17" (58 cm x 43 cm) shield surface for maximum diffusion
- Adjustable height from 10" to 43" (25 cm to 109 cm)
- Folds compactly with built-in carrying handle

143E102 Acoustic Shield, 12 lbs (5.4 kg)

Tuba Tamer

- Special design helps musicians control and properly position the instrument
- Liberates the musician to focus on technique
- Adjustable, vinyl-clad instrument support stand protects the tuba
- Height-adjustable
- Ideal for rehearsal and performance
- Great for storage and helps prevent damage due to frequent handling
- Assembly required

049E001 Tuba Tamer
27 lbs (12.2 kg)

The Tuba Tamer offers support while playing and is ideal for in-room storage.

Cymbal Stand

Our freestanding Cymbal Stand holds cymbals at the ideal height for easy access and keeps them quiet until their big moment.

USAGE

Stores cymbals at ideal height for easy access

PERFORMANCE REQUIREMENTS

- Accommodates cymbals up to 22" (56 cm)
- Chrome base with vinyl coating cushions contact points and eliminates vibration to keep resting cymbals quiet
- Easily adjusts to the perfect height for rehearsal or performance

CONSTRUCTION

- Tough vinyl coating prevents vibration during performance and protects cymbals when not in use
- Assembly required

- Holds 9 Bravo, 11 RoughNeck, 10 Classic 50, or up to 11 Preface Music Stands
- Space-saving footprint

Assembly required. Stands sold separately.

ORDERING INFORMATION

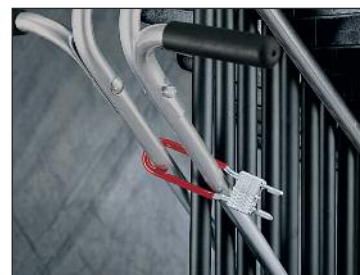

- 039C202** Large Music Stand Move & Store Cart
38 lbs (17.2 kg)
- 039D201** Small Music Stand Move & Store Cart
21 lbs (9.5 kg)

Special pricing available if carts purchased with stands.

"The large Move & Store Stand Cart is great – openings on each end enable quick, easy access. These carts help keep my room looking neater and they also save space."

– Cydney Dixon, Band Director
Lower Lake High School, Lower Lake, California

Padded handles add total comfort and control. You can also add a long-shaft padlock – available at most hardware stores – to give your Wenger Move & Store Carts extra cost-efficient security.

With a center pivot point and slightly raised outside wheels, the Large Move & Store Cart offers exceptional maneuverability.
