

Dura-Safe® Board

- The Dura-Safe Board offers the highest safety standards of any board and features our superior environmental porcelain steel markerboard surface.
- The porcelain steel surface has environmental advantages of no VOC's, steel that is made from a min. 30% post-consumer and post-industrial waste, and the surface is 99% recyclable.
- The Dura-Safe tray is designed for safety, made of silicone rubber and permanently attached to the aluminum frame.
- The trim provides the strength and durability of our aluminum frame, but the silicone tray adds unparalleled safety in the classroom by eliminating sharp edges and corners.
- The silicone rubber tray and the silicone rubber map rail insert are colored to harmonize with any color scheme or decor.
- Marker set is included.
- The silicone rubber is color safe and fire-resistant, and will not fade or shrink.
- Standard color options are black, navy blue, burgundy, red and blue.
- Available in the following sizes:
