

HIGH-DENSITY PORTABLE AUDIENCE CHAIRS BY CLARIN®

A fast-setup, lightweight chair that's more attractive and comfortable than standard folding chairs.

This strong, durable, folding portable audience seating offers the perfect mix of lightweight portability and comfort for just about any audience. They won't leave marks on gymnasium or auditorium floors, so you can use them without worry. The special X-frame construction prolongs the life of the chair and provides even weight distribution for enhanced comfort. The exclusive Duraflex action assures level seating on uneven surfaces — and the chair frame automatically returns to its original shape.
