

PORTABLE AUDIENCE CHAIR

Style and comfort designed to be flexible yet stable.

Now there's luxury seating that doesn't need to be secured to the floor, giving you the option to customize seating arrangements based on your unique requirements. Wenger Portable Audience Chairs can quickly and easily adapt to your changing needs while maintaining all the advantages of permanent seating. Whether it's theater black box seating or grandstand seating for special events, Wenger Portable Audience Chairs combine all the features you'd expect from a luxury theater chair at a price that's affordable. Extra-thick padding and fine upholstery fabric provides lasting comfort, style and durability. Chairs set up fast and attach securely for orderly rows. And Wenger Portable Audience Chairs store easily, in less space.

The Wenger Standard Portable Audience Chair features a fully upholstered seat and back with hardwood arm rests in a durable black lacquer finish. The Wenger Premier Portable Audience Chair features a fully upholstered seat and back with finished hardwood on the chair back, bottom and arm rests for a distinctive elegant appearance. Both Audience Chairs store on convenient Move and Store Carts.

When combined with Wenger's Upper Deck Audience Seating® System, you get an integrated high-quality audience seating system that's designed for today's modular performance environments.
