

lessonWORKS®

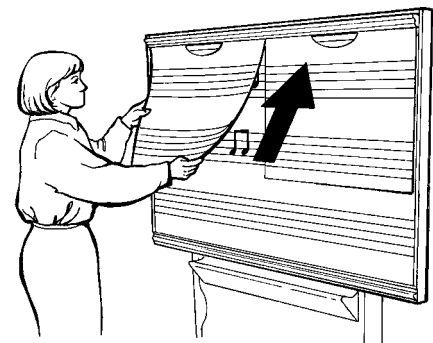

- Available with either permanent staves 172B001 or no staves 172B002.
- White board dimensions: 54" x 38" (137 x 97 cm).
- Weight: 259 lbs (117.5 kg).
- The white board flips over base on offset, gas assisted hinge. This allows use at two different heights – 5'9" and 4'6" (175 and 137 cm) top of board to floor.
- The board (54" x 38") (137 x 97 cm) has permanent staves, is safe for use with dry-erase markers and is magnetized to hold notation pieces.
- Unit is equipped with a convenient storage pocket for lesson cards, posters and other teacher's aids.
- Lesson cards, posters, and graphics attach easily to the board with the Handi Holder™ grip system.
- Base is grey rotationally molded polyethylene.
- Four 3" (7.5 cm) casters (two swivel, two stationary) for mobility.
- Five-year warranty.

Optional Accessories:

- 4-pack of lesson cards – These versatile 2-sided dry-erase cards (25" x 23") (64 cm x 58 cm) have a staff on one side and are blank on the other. These boards are designed to be used with dry-erase markers, but are not magnetic.
- 126-piece magnetic Notation Set makes learning notation fun and easy.
- Magnetic Notation Storage Palette allows you to store and organize your notation set for easy access.

The whiteboard pivots easily over base with gas assisted spring lift. This positions the board in either a high or low position depending on the needs of the teacher and students.

Lesson cards are stored in a pocket at the base of the unit. They attach to the main board by simply sliding them into the clamp along the top of the board. They can be removed with a simple tug.
