

GUITAR MOBILE STORAGE RACK

A beautiful way to treat your guitars

Wenger's Mobile Guitar Storage Rack lives up to the Wenger legacy of providing exceptional protection for your prized instruments. They also move easily anywhere in your facility, so you not only have the ideal storage solution for perhaps your most popular instruments, but you also have the best means possible to make sure those guitars get around and get played. Hard rubber swivel casters make mobility clean and effortless, and adjustable protective supports provide a more secure fit. Perfect for moving and storing, acoustic and electric, cased and uncased, three-quarter and full-size, even guitarrons. Please call your Wenger representative for more reasons why our Mobile Guitar Cabinets are so perfectly tuned to your needs.

GUITAR MOBILE STORAGE RACK

Shown with 20 electric guitars.

Shown with 10 guitarrons.

Shown with 20 acoustic guitars.

Shown with 20 acoustic guitar cases.

Yokes help cradle guitars and protect them from tipping. Yokes are removable for storing cases. Yokes also hold an optional cable to individually secure instruments.

Guitars rest on soft extruded rails which prevents slippage, scratching or other damage.
