

## STRATA® TENT FLOOR SYSTEM CUSTOMER APPLICATIONS AND TESTIMONIALS

---

### CLIFTON PARK RENTAL

*"With STRATA, we took an unusable backyard and made a party out of it. I wouldn't have even attempted this job with scaffolding or a stick-built floor. We needed the quickness and adjustability of STRATA. Only two days were available for setting up the entire job – it was a surprise party."*

#### **Mike Frodey**

Owner, Clifton Park Rental, Clifton Park, NY

## EVENTS UNLIMITED

*"Before the STRATA I would contract these floors out because they were too labor-intensive. I can't tie up my crew for two days – they need to be setting up tents. With STRATA, my crew can easily install a 40' x 80' (12.2 m x 24.4 m) floor system in under six hours."*

**Marty Bathrick**  
President  
Events Unlimited, Rhinebeck, NY

## EVENTQUIP

*"The biggest benefits of STRATA are the speed of installation and dismantling. It's also the ease of installation – we don't need a skilled tradesman, like we do with a stick-built floor."*

**Ed Knight**  
President  
EventQuip, Pipersville, PA

## JK RENTALS

*"If another rental owner asked me about STRATA, I'd say the quality of the product with the way it goes together is superior to anything else out there."*

**Kurt Goeman**  
Owner

## CHATTANOOGA TENT COMPANY

*"The stability of the beams and flooring, the whole engineering of STRATA makes me feel confident about using it different ways, such as bridging over a pool."*

Chattanooga, TN

### PENTAGES THEATRE

*"We evaluated several options before purchasing the STRATA System. We felt that Wenger had the best product, ability to work in challenging environments and company track record – Wenger's reputation was very important."*

**Eli D. Ashley**

### TEMPFLOOR

*"The biggest benefit of STRATA is the ease of leveling, compared with traditional flooring. It levels on four 16-foot corners instead of every four feet – you have 16 feet (4.9 m) to level instead of four feet (1.2 m)."*

#### Doug Schroeder

Owner  
Tempfloor, Englewood, CO

### BIG TOP TENT RENTALS

### TRAUBE TENT COMPANY

#### John Traube

Owner/President  
Traube Tent Company, Columbia, IL

### PARTY REFLECTIONS

*"STRATA has proven to be far superior to anything else I've got right now. It's much better on labor and better engineered. Clients are truly impressed when they see the STRATA System put together – it looks incredibly technical and intimidating. However, setting up STRATA is a piece of cake. It's a very user-friendly system to master."*
