

SoundLok® Transcend® Ready Upgrade Kit

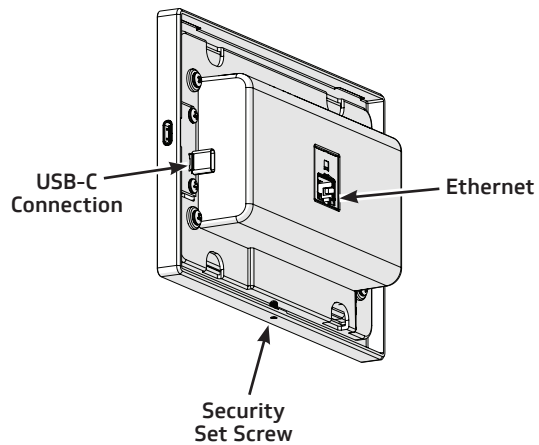

This kit includes the touchscreen control panel and mounting hardware that once installed, will enable Transcend Active Acoustic Technology that simulates various acoustic environments for improved music practice and engagement.

The SoundLok Transcend Ready Upgrade Kit is only intended to be installed into SoundLok Transcend Ready rooms. It is not compatible with SoundLok Classic, or SoundLok VAE.

- Kit is designed to be user installable, with no special tools required, in about 10 minutes
- Included in the kit:
 - Transcend touchscreen control panel
 - Mounting hardware
 - Allen key for security set screw
 - Instructions
- Transcend technology features and benefits include:
 - Nine preset acoustic environments with varying characteristics of early energy (reflections) and late decay (reverberation): Studio A, Studio B, Recital Hall, Chamber Hall, Concert Hall, Great Hall, Chapel, Arena and Grand Cathedral
 - One-button record/playback feature provides instantaneous audio recording and playback; the high-quality recordings may be saved to internal storage or directly onto external USB (type-C) drive
 - Intuitive and easy-to-use, touch screen control interface
 - Bluetooth® wireless audio, enabling users to seamlessly play audio content from any Bluetooth compatible device
 - Stimulates creativity and encourages practice by relieving the tedium of playing in an acoustically "dry" practice room
 - Accelerates development of articulation, intonation, and tone in a variety of environments from very "dry" to very "live"
 - Allows practice for performances without having to schedule the performance space for rehearsal

TS-1C Transcend Control Panel
