

Front Closure Panel Brace Accessory for StageTek® Staging System

Basic Instructions only!
For more detailed product information, refer to the StageTek Staging System Owner's Manual 280A099.

CAUTION
Make sure anyone assembling or installing StageTek components has read and understands the instructions.

CAUTION
Always comply with Warnings or Cautions in the instructions or posted on the equipment.

Recommended Use

- One closure brace on closure panels less than 3' (914 mm) long.
- Two closure braces on closure panels between 3'-5' (914-1524 mm) long.
- Three closure braces on closure panels 6' (1829 mm) and longer.

Visit the StageTek Staging System web page at wengercorp.com for more information.

Note: Please read and understand these instructions before assembling or setting up.
Note: If you need additional information, contact Wenger Corporation using the information below.

Assembly

1. At both ends of the deck, hold a tall closure brace flat against the back of the installed front closure panel.
2. Slide a chair stop connect into the slot at the bottom of the tall closure brace and tilt it up onto the lip on the inside frame.

2. Secure together using a 3/8-16 x 3" carriage bolt and a 3/8-16 wing nut.

Do not over tighten!
