

CARPET

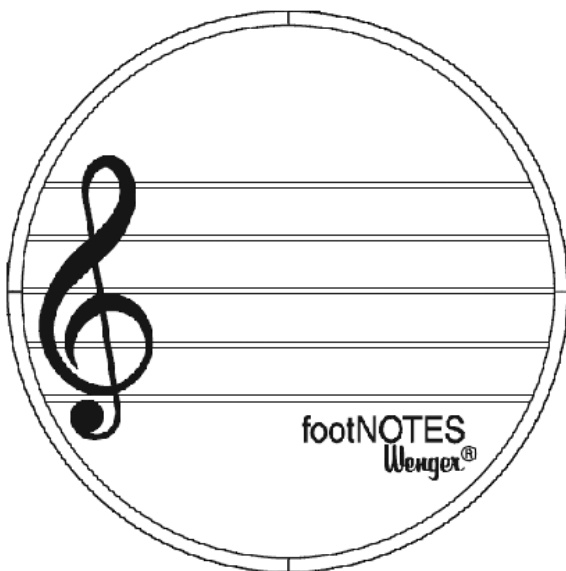

- Stainmaster® Premium Bulk Continuous Filament Type 6,6 Nylon.
- Stainmaster® Carpet Advanced Stain Protection.
- Stainmaster® Carpet Advanced Soil Protection.
- Impervion® Mold and Mildew Protection.
- Bound and serged for maximum durability.

PERFORMANCE SPECIFICATIONS

- Static Electricity: <3.5 KV–AATCC-134
- Flammability: ASTM–E648 (Class 1 Flammability)
ASTM–E662
NFPA–258
Self-extinguishing (DOC FF-1-70)

MAINTENANCE

- Vacuum regularly.
- When vacuuming, adjust height of beater bar to lightly agitate the rug pile but not to cause the motor of the vacuum to slow. Do not vacuum over binding and serging, if possible.
- Hot water extraction.
- Dry extraction.
- Pretest any spot removal or cleaning agent to make certain the solution will not damage yarns or dyes.
