

GearBoss® Athletic Equipment Storage

The Mobile Kiosk is a self contained, mobile merchandising kiosk that allows you to follow your fans, wherever they go. All of your logo gear is neatly secured inside the enclosed unit while moving from venue to venue.

Panels open up in seconds to create your kiosk. Eight removable bins allow different athletic programs, boosters or school clubs to keep inventory in their own bin. Move beyond candy sales and car washes to real revenue generation.

Intended Use

- This product is intended for indoor and outdoor use in normal ambient temperature and humidity conditions — exposing the Mobile Kiosk to rain or excessive moisture could result in damage
- Organize school spirit items for sale at multiple locations
- Travels to the gym, field, parking lot, school hall
- Move your fund raising efforts to a new level
