

# TranSport Cart

The GearBoss TranSport Cart is another Wenger innovation designed specifically for the needs of athletic programs. The TranSport cart makes it easier than ever to move a variety of equipment through your facility and out to the field. And in just a few seconds it is easily transformed into a rock-solid table for use on the sidelines or anywhere in the facility. Practices. Games. Travel. The TranSport Cart goes everywhere your coaches and trainers go.

## Intended Use

- Transport of gear within facility and outdoors to fields and points of use
- Converts to table for use as work surface, sideline table or trainer's table
- End braces fold for compact storage when not in use or when put in truck, trailer or plane
- Intended for trailering behind slow-moving motorized vehicles such as Gators™ golf carts, lawn tractors, ATV's etc. Not to exceed 10 mph (16 km)

## Cart Specifications

- Part number: 240A003
- Heavy-duty chassis construction
- Chassis is 1-1/4" (32 mm) 16-gauge tube steel+1-1/4" (32 mm) square tube cross sections
- Powder-coat paint and finish
- Aluminum deck finished in UV and chemical-resistant powder-coat
- Pneumatic 10" (254 mm) wheels, outdoor treads, sealed ball bearings
- Comfort-grip pull handle transitions to pin-hitch for motorized vehicle, 1-1/4" (32 mm) 14-gauge steel with wing nut and pivot joint
