

Three-Year Warranty

We warrant all equipment manufactured by us to be free from defects in material and workmanship for three (3) years from date of installation. At our option, we will repair, replace, or refund the purchase price of the equipment. Any warranty on items manufactured by others will be assigned to you. In the case of motorized equipment and equipment comprising an integrated theatre rigging system, the three-year warranty is contingent on inspection of the equipment and training on its use being provided annually by a J.R. Clancy authorized technician. It is the responsibility of the end user to make arrangements with J.R. Clancy for the annual inspection and training. Failure to obtain the inspection and training annually will void the three-year warranty. In the event scaffolding or temporary lifts are required in order to perform the warranty work on the J.R. Clancy equipment, this is not covered in this warranty, and the cost of renting the scaffolding and portable lifts will be your responsibility.

No claims will be honored for equipment which, in our opinion, has become defective due to misuse, abuse, accident, act of God, alteration, vandalism, improper installation, or improper maintenance. Ordinary wear and tear is also excluded. We make no implied warranties of any kind, including warranty or merchantability, or warranty of fitness for a particular purpose, all of which are expressly disclaimed. We will not be liable under this warranty for consequential or incidental damages of any kind, including damages due to lost profits, loss of use, delays, personal injury, or property damage.
