

Adjustable Shelf Option for UltraStor™ and AcoustiCabinets®

Programs change. Now your storage can too.
New adjustable shelf design allows for quick reconfiguration.
Available in our UltraStor™ and AcoustiCabinets®.

Adjustable Shelf Option for UltraStor™ and AcoustiCabinets®

Reconfigure your cabinet in minutes!

Your storage needs change. Why not your shelves?

Shelf pin design allows for pin to be recessed when shelf is not in use and deployed to lock shelf to provide a stable and secure solution.

TO REMOVE SHELF

Easily disengage stainless steel latch and remove shelf

Shelf pin can be recessed in stored position

TO ADD SHELF

Deploy shelf pin to receive shelf

Slide shelf into position and engage latch to secure

PRODUCT FEATURES:

- Simple and effective design allows for quick configuration of shelf locations
- Available shelf packs allow expansion as program changes or grows without purchasing new cabinets
- Patented shelves are rated to 100 lbs./shelf to provide years of use with any type of instrument
- Patented and industry tested shelf that eliminates wear and tear and provides long-term resilience
- Patent Pending Design
- Ten-year warranty
