Adjustable Shelf Storage Option

- Offered for Wenger UltraStor® and AcoustiCabinets®
- Available in multiple heights and widths in a variety of single, double and triple column configurations
- Each cabinet includes one fixed bottom shelf and two adjustable height shelves per column
  Additional shelf packs are available.
  Each shelf pack will complete one rw (one shelf for each column)
  - 84" (2134 mm) tall cabinets can fit up to eight adjustable shelves, creating up to nine compartments in each column
  - 68" (1727 mm) tall cabinets can fit up to six adjustable shelves, creating up to seven compartments in each column
- Patented grooved shelves are blow-molded polyethylene and allow air to circulate
- Patent pending adjustable height shelf uses a swing pin and latch design
- Door options:
  - Full-length wood door - same construction as wall panels
  - Full-length straight grille door - 3/16" (5 mm) diameter welded steel grille construction with powder-coat paint finish
  - Full-length waterfall grille doors - 1/4" (6 mm) diameter welded steel grille construction with powder-coat paint finish
  - No door
- Wall panels are 3/4" (19 mm) thick industrial grade composite wood with no added formaldehyde and polyester laminate finish in Wenger standard colors
- Edging is 1/8" (3 mm) radiused PVC
- Cabinets have four or five adjustable steel leveling glides for uneven floors
- Doors include heavy-duty 5-knuckle institutional ANSI/BHMA A156.9, Grade 1 hinge, through-bolted to cabinet wall
- Lockable doors are designed for padlocks with 3/4" (19 mm) maximum vertical shackle clearance
- Cabinets are shipped fully assembled for widths under 48" (1219 mm)
- UL GREENGUARD Certified - Product certified for low chemical emissions: ul.com/gg - UL 2818
- Environmental attributes and LEED compliance for these products can be found at www.wengercorp.com/GREEN or by contacting your Wenger representative
- Ten-year warranty

NOTE: Doors must be included at the time of ordering as they cannot be installed later.
