

Platinum Reversible Board

- The Platinum Reversible Board adds a sleek and contemporary design element to any room.
- Providing twice the functional surface of a traditional wall-mounted board, these mobile boards are ideal for presentations, meetings, training and other group instruction.
- Choose from a wide variety of surface combinations; environmental porcelain steel with and/or without music stave graphics or natural cork. Porcelain surfaces are also magnetic, adding even more versatility.
- The porcelain steel surface has environmental advantages of no VOC's, steel that is made from a min. 30% post-consumer and post-industrial waste, and the surface is 99% recyclable.
- The surface rotates 360° and knobs lock the surface securely in place.
- Wide base design and 3" locking casters provide safety, stability, and mobility.
- Perforated steel accent panel and full-length tray can hold magnets and other accessories.
- Marker set is included.
- Available in the following board sizes:
