

PREFACE® MUSIC STAND

Wenger®
Your Performance Partner

The low-cost music stand that's high on features

The Wenger Preface® Music Stand combines affordability with reliability. The large aluminum desk provides ample space for displaying music. A large one-piece attachment bracket and bolt-through desk attachment holds the desk securely to the stand. A reliable brake mechanism provides precise height adjustment and the stand can be easily positioned whether seated or standing. A 12-gauge steel-welded base features a wobble-free base attachment that won't loosen because it can't twist in the base – no more weekly tightening of wobbly stands! Slim and lightweight, the Preface Music Stand is just under 6 lbs. (under 3 kg.) so it's easy to carry several stands in one hand. And the recessed desk lip lets you stack stands quickly on a cart because there's no need to flip the desks.

The Wenger Preface Music Stand – a smart economical addition to your music program.
