

ROUGHNECK® MUSIC STAND

Wenger®
Your Performance Partner

The all-steel stand that's built to last.

Because you've spent hours practicing, your performance shouldn't be hampered by a music stand that doesn't perform. Wenger builds sturdy stands that won't shake, wobble, tilt or slip.

Wenger RoughNeck Stands have a solid welded base that won't lean or loosen. Wenger's trigger lock height-adjustment mechanism allows smooth, easy adjusting action and then holds tight! And Wenger guarantees their music stands for a full five years.

So don't put up with music stands that keep letting you down. Insist on RoughNeck, and get a superior performance every time.

ROUGHNECK® MUSIC STAND

The RoughNeck desk is made of tough 22-gauge steel. Finished rolled steel edges reinforce the desk to withstand bending, and are less likely to nick precious instruments or snag clothing. And the desk easily accommodates full-sized scores.

The base and tube are made of steel for durability.

The finish of the desk, base and tube is an extra-durable, textured, black powder-coat, which looks fresh far longer than metal enamels.

The trigger lock height adjustment mechanism goes up easily and stays up.

PRODUCT SPECIFICATIONS:

- 22-gauge steel desk with rolled edges.
- Solid welded base.
- Wobble free base attachment and bolt-through desk attachment.
- Durable black powder coat finish.
- Desk: 20" x 12¹/₂" (51 cm x 32 cm)
- Trigger lock height adjustment mechanism adjusts height from 27¹/₄" to 43³/₈" (desk lip to floor).
- 5-year warranty.
- Some assembly required.
