# MARKERBOARDS AND TACKBOARDS

## Porcelain Steel Markerboard

- The surface is engineered to create greater color contrast with dry erase markers.
- Marker ghosting is not a problem with the porcelain steel surface, which offers superior erasability. The reduced surface light distortion enhances visibility to provide optimum eye comfort.
- The Porcelain Steel Markerboard surface consists of a low-gloss magnetic steel surface laminated to a 7/16" thick MDF substrate for extra strength and moisture resistance.
- The porcelain steel surface is environmentally friendly because it has no VOC's and the steel is made from a minimum of 30% post-consumer and post-industrial waste with a surface that is 99% recyclable.
- Available in the following sizes:
 

33 3/4" H x 48" W (86 cm x 122 cm)	weight 25 lbs (12 kg)

48" H x 192" W (122 cm x 488 cm)	weight 290 lbs (132 kg)
- Boards include L-clips, rawl plugs, and screws for installation.
- Fifty-year warranty.

## Platinum Reversible Board

- The Platinum Reversible Board adds a sleek and contemporary design element to any room.
- The porcelain steel surface is environmentally friendly because it has no VOC's and the steel is made from a minimum of 30% post-consumer and post-industrial waste with a surface that is 99% recyclable.
- By providing twice the functional surface of a traditional wall-mounted board, these mobile boards are ideal for presentations, meetings, training, and other group instruction.
- Choose from a wide variety of surface combinations. Porcelain, graphic board and natural cork. Porcelain surfaces are also magnetic, adding even more versatility.
- The surface rotates 360° and knobs lock the surface securely in place.
- Wide base design and 3" locking casters provide safety, stability, and mobility.
- Perforated steel accent panel and full-length tray can hold magnets and other accessories.

- Available in the following sizes:
