

An elementary classroom rug for music education

Kids love learning notation when it's this much fun. Walk, jump or dance. Your kids will have a blast jumping and dancing on the colorful footNOTES staff rug. New design is now in four sizes.

footNOTES® ACTIVITY BOOKLET

This essential piece of the footNOTES system was written by Dr. John Feierabend, Ph.D., a champion of elementary music education. It's filled with effective and engaging activities to help you get the most from your footNOTES system. (mailed separately)

A creative way to introduce notation to younger students
