Wenger products
are now GREEN-
GUARD Certified

* California Department of Health Services Standard Practice for the Testing of Volatile Organic Emission from Various Sources Using Small-Scale Environmental Chambers, including 2004 Addenda

** Furniture and seating must be GREENGUARD Children and Schools certified

*** Regularly Occupied Space (according to LEED Reference Guide for Green Building Design and Construction -- LEED for Schools Rating System only):
(Classroom and Core Learning) Spaces that are used for at least 1-hour per day for educational activities where the primary functions are teaching and learning.
(Other Regularly Occupied Spaces) All nonlearning spaces that are used by occupants for 1 or more hours per day to perform work-related activities.

Spaces considered not regularly occupied are those that occupants pass through and those that are not regularly used for at least 1-hour per day.
