

## NOTA® conBRIO® MUSIC POSTURE CHAIR

### With Vigor!

That's the performance promise of new Nota conBRIO, the first dynamic seating solution specifically designed for music practice and performance — and only from Wenger. Heralded for the therapeutic benefits it's bringing to other industries, dynamic seating in essence responds to a person's movement. As a teaching tool, Nota conBRIO makes a direct kinetic connection to musicians, keeping them active and energetic and their focus sharper than ever. Rather than restrict motion with a static base, Nota conBRIO provides a stable, yet fluid foundation that allows complete freedom to engage in the musical performance allowing musicians to respond like never before.

Nota conBRIO Premier

Nota conBRIO Standard

# NOTA® conBRIO® MUSIC POSTURE CHAIR

This unique Music Posture Design incorporates correct posture benefits of our Nota design with the added feature of a flexible frame that allows the chair to move with the performer.

Dual seating zones (Engaged and Perched) allow the performer more flexibility. Each zone enhances performance by promoting a naturally balanced posture.

Nota's narrow convex back gives the musician more elbow room.

Nota conBRIO stacks just like our other posture chairs. The Move & Store Cart holds 18 Standard or 12 Premier chairs.

Nota conBRIO can stack with regular Nota chairs.
