Manufacturer

The OnBoard® Uniform Cart is manufactured by:

Wenger Corporation
555 Park Drive
Owatonna, MN 55060
(800) 4WENGER (493-6437) • +1 (507) 455-4100
wengercorp.com

Intended Use

- This product is intended for indoor use in normal ambient temperature and humidity conditions – it must not be exposed to prolonged outside weather conditions. Plastic components will be susceptible to impact damage in cold weather. Use care when loading, unloading, moving or handling the cart, particularly in cold weather.
- This product is intended to be assembled, installed and used only as described in these instructions.

Warranty

Warranty information is available at wengercorp.com.

Safety Precautions

Throughout this document you may find cautions and warnings which are defined as follows:

- **WARNING:** Failure to follow the instruction could result in serious injury or damage to property.
- **CAUTION:** Failure to follow the instruction could result in minor injury or damage to property.

Read and understand all of these safety instructions before any assembly, installation or use.

⚠ CAUTION

Make sure anyone assembling, installing or using this product has read and understands these instructions.

⚠ CAUTION

Failure to comply with Warnings and Cautions in this document or on the equipment can result in damage to property or serious injury.

⚠ CAUTION

Do not transport people or stand on the cart.

General Operation

⚠ CAUTION

- *OnBoard Uniform Cart maximum load capacity is 60 lb (27 kg) evenly distributed on each hanger bar.*
- *All four casters must be in contact with the floor or ground at all times, until the cart is loaded into a bus, on its back.*
- *Avoid ramps with a rise or drop steeper than a 1' (305 mm) in a 12' (3658 mm) horizontal distance.*
- *Always move slowly up or down a ramp with the narrow end of the cart in the direction of travel.*
- *Avoid off-center loads which may cause the cart to tip over.*
- *Because swivel casters move in any direction, the operator must move the cart slowly and have a clear view to avoid obstructions and individuals standing in the direction of travel.*
- *If the uniform cart is heavily loaded, two people are always required to move the cart (one pushing at the rear and one guiding at the front).*
- *When moving the cart do not ride on the cart and do not allow others to ride on the cart.*
- *The cart is designed to fit under most coach buses. When transporting this cart it must be laying down on its back surface so that the uniforms are laying flat.*
- *The cart is not intended to be used on grass surfaces or to be towed.*

Operation

1. Use the OnBoard Uniform Cart with care. Always observe the "Safety Precautions" in these instructions. **Failure to comply with the "Safety Precautions" in these instructions can result in serious injury.**
2. When loading the cart into a coach bus, lay the loaded cart with its back laying down onto the edge of the open bus bay and with uniforms laying flat face up in the cart. Use handholds located on the frame to tip and slide the cart into position in the bus bay. It should not be necessary to lift the entire cart.

Hanger Holder Attachment

1. Snap hanger holder on the bar as shown in View A. Be careful not to over bend the part, this may cause the holder to break.

View A

2. Locate hanger over bar into holder as shown in View B and rotate holder down so that the hanger is secure.

View B

Maintenance

1. Clean the cart with a mild detergent and warm water. Avoid using harsh or abrasive cleaning products.
2. Immediately replace any caster wheels that do not rotate or turn freely.
3. Immediately replace or repair any wheel that develops a flat area.

Replacement Parts

| Item | Description |
|------|-----------------------------|
| 1 | 4" Dia Swivel Caster |
| 2 | 4" Dia Braked Swivel Caster |
| 3 | Hanger Holder |
