

# Platinum Reversible Board

- The Platinum Reversible Board adds a sleek and contemporary design element to any room
- Providing twice the functional surface of a traditional wall-mounted board, these mobile boards are ideal for presentations, meetings, training and other group instruction
- Choose from a wide variety of surface combinations; environmental porcelain steel with and/or without music stave graphics or natural cork; porcelain surfaces are also magnetic, adding even more versatility
- The porcelain steel surface has environmental advantages of no VOC's, steel that is made from a min. 30% post-consumer and post-industrial waste, and the surface is 99% recyclable
- The surface rotates 360° and knobs lock the surface securely in place
- Wide base design and 3" locking casters provide safety, stability, and mobility
- Perforated steel accent panel and full-length tray can hold magnets and other accessories
