

INTRODUCING  
TRANSCEND™ Active Acoustic System

One Space. Any Performance. Simply A Sound Investment.™

Wenger®

# Dynamic

Advanced design. A dedicated, state of the art processor for active acoustics using high speed digital audio communications with Lexicon® technology to bring the most out of every performance.

# Clarity

Natural reflections. Transcend™ Active Acoustic System enhances the reflections of the space providing optimal acoustics for any performance or event.

# Transport

Technology transforms. From choral and symphonic to drama and lecture, Transcend™ Active Acoustic System can optimize the space for each performance.

# Connect

Command and control. The entire system can be managed with remote control and visual monitoring using state of the art Audio Architect software.

# Simply a Sound Investment.™

Enhance the acoustics of your performance space - now at an affordable price. Transcend™ Active Acoustic System gives you the control to perfect your sound environment in virtually any space: performing arts centers, auditoriums, theatres, opera houses, arenas and worship spaces.

With new advanced state of the art Lexicon® active acoustic technology, Transcend stands above. Our processor is designed specifically for active acoustics, providing a reliable, high performance system at a very affordable price. Transcend is simply a sound investment.

Transcend the ordinary, inspire performers and connect with audiences like never before. Contact us today: [transcend@wengercorp.com](mailto:transcend@wengercorp.com).
