

TROUPER® PLATFORM SYSTEM

Wenger®

Safe, simple, and as tough as they come.

When it comes to a stage system for your facility, Trouper is the answer for speed, simplicity and durability. It's engineered to be the best purchase you can make for straightforward configurations that two people can set up quickly without tools, loose parts or complex instructions. It's also designed to deliver rock-solid stability for active performances. And, with a Move & Store cart, you can roll your entire system anywhere you need and make the most out of limited storage areas.

Trouper is also the best choice you can make for long-term seated riser and tiered seating setups. This tough, solid system has some smart features that will make a big difference over the years. Like $\frac{3}{4}$ " (19 mm) solid plywood decks. Edges are fully capped in steel that overlaps the surface protecting the hard surfaces from chipping and carpeted surfaces from fraying. Secure, cam-lock unit-to-unit connectors. And a 16-gauge steel frame. It all adds up to a system that will look great for years to come and never let you down.

TROUPER® PLATFORM SYSTEM

Trouper® Accessories

Move & Store Cart

Move and store as many as 12 Trouper decks at a time. Move & Store Carts move easily down the hall, around corners, and over thresholds. Available in 6, 8 and 12 unit models.

Guardrail

Meets most loading and rail-height building code requirements, and with a special panel it complies with the 4" (102 mm) sphere building code requirements. Available in 3', 4', 5', 6' and 8' (914, 1219, 1524, 1829 and 2438 mm).

Stairway

Feature nonslip safety treads and permanent handrails on both sides. 39" (991 mm) wide with 11" (279 mm) deep steps. Available in 2- and 3-step models.

Closure Panel

Cover gaps between seated riser levels for a more finished look while keeping dust and litter from collecting under risers. Available in Band/Orchestra and Choral models.

Skirting and Backdrop

Available in a variety of colors – call for samples.

PRODUCT SPECIFICATIONS:

TROUPER PLATFORMS

- Integrated platform and legs make setup simple and tool free
- Camlock unit-to-unit connector provides a safe and solid connection between units
- Heavy-duty construction with a 200-lbs.-per-square-foot (976.5 kg/sq. m) live load rating
- Frame constructed of solid 16-gauge steel
- Decks constructed of 3/4" (19 mm) solid plywood
- Available in two surface finishes - Standard Black or Grey Carpet
- Deck edges are fully capped by finished steel edging that overlaps and protects the deck surface and carpet
- Legs unfold quickly for easy setup
- Fixed-height leg lengths: 8", 16", 24" and 32" (203, 406, 610 and 813 mm)
- Optional dual-height leg lengths: 16"/24" (406/610 mm) and 24"/32" (610/813 mm)
- Individual decks available in 3' x 6', 4' x 6', 3' x 8' and 4' x 8' (914 x 1829, 1219 x 1829, 914 x 2438 and 1219 x 2438 mm)

TROUPER SINGLE DECKS (BLACK) 3' x 6' (914 x 1829 mm)

176B107 8" (203 mm) elevation
176B108 16" (406 mm) elevation
176B109 24" (610 mm) elevation
176B110 32" (813 mm) elevation
176B111 16"/24" (406/610 mm) elevation
176B112 24"/32" (610/813 mm) elevation

TROUPER SINGLE DECKS (BLACK) 4' x 6' (1219 x 1829 mm)

176B045 8" (203 mm) elevation
176B046 16" (406 mm) elevation
176B047 24" (610 mm) elevation
176B048 32" (813 mm) elevation
176B049 16"/24" (406/610 mm) elevation
176B050 24"/32" (610/813 mm) elevation

TROUPER SINGLE DECKS (BLACK) 3' x 8' (914 x 2438 mm)

176B076 8" (203 mm) elevation
176B077 16" (406 mm) elevation
176B078 24" (610 mm) elevation
176B079 32" (813 mm) elevation
176B080 16"/24" (406/610 mm) elevation
176B081 24"/32" (610/813 mm) elevation

TROUPER SINGLE DECKS (BLACK) 4' x 8' (1219 x 2438 mm)

176B014 8" (203 mm) elevation
176B015 16" (406 mm) elevation
176B016 24" (610 mm) elevation
176B017 32" (813 mm) elevation
176B018 16"/24" (406/610 mm) elevation
176B019 24"/32" (610/813 mm) elevation

Legs

Each Trouper deck has three sets of self-locking legs that provide six contact points for exceptional load capacity.

TROUPER SEATED RISERS

- Can be arranged in horseshoe, winged, semicircle, and rectangular configurations
- Full array of pies and tri-corners help you configure a set that meets virtually any seated riser application
- Fixed-height legs for fast, easy setups
- Dual-height legs add flexibility
- Side and front closure panels and guardrails add a professional appearance

TROUPER BAND/ORCHESTRA SEATED RISERS

- 48" (1219 mm) deep decks in 8" (203 mm), 16" (406 mm) and 24" (610 mm) elevations
 - 8' (2438 mm) wide, 3-tier section holds 9 people (based on 32" (813 mm) chair spacing)
 - 6' (183 cm) wide, 3-tier section holds 6 people (based on 32" (813 mm) chair spacing)
 - Band/Orchestra pie section adds capacity for four (based on 32" (813 mm) chair spacing)
 - Optional 32" (813 mm) elevation, 4th level
 - Optional rear extension units for 24" (610 mm) level
- DM015 8' (2438 mm) wide, 3-tier section**
DM025 6' (1829 mm) wide, 3-tier section
DM035 Trouper 3-tier Band Orchestra Pie Section

TROUPER CHORAL SEATED RISERS

- 36" (914 mm) deep decks in 8" (203 mm), 16" (406 mm) and 24" (610 mm) elevations
 - 8' (2438 mm) wide, 3-tier section holds 12 people (based on 24"-26" (610-660 mm) chair spacing)
 - 6' (1829mm) wide, 3-tier section holds 9 people (based on 24"-26" (610-660 mm) chair spacing)
 - Choral pie section adds capacity for six (based on 24"-26" (610-660 mm) chair spacing)
 - Optional 32" (813 mm) elevation, 4th level
- FM015 8' (2438 mm) wide, 3-tier section**
FM025 6' (1829 mm) wide, 3-tier section
FM035 Trouper 3-tier Choral Pie Section
