BRAVO™ MUSIC STAND

Classic looks and sophisticated design, coupled with unmatched durability.

Prosper High School, Prosper, Texas

BRAVO™ MUSIC STAND

Wenger music stands are built to withstand wear and never wobble. The nearly indestructible Bravo music stand is made of polycarbonate that won't chip or dent. That means it will look professional longer.

- ✓ **Appearance is Paramount** – Choice of desk colors and frame finishes coordinate with almost any environment.
- ✓ **Room for Everything** – Large lip and accessory shelf.
- ✓ **Balanced, Quiet Performance** – Heavy-duty base and lightweight desk are super stable.
- ✓ **Protect Musicians** – Polycarbonate material and rounded edges means there are no sharp edges to worry about.
- ✓ **Protect Instruments** – Polycarbonate material means no worrying about scratching or denting expensive instruments.

FEATURES:

- Polycarbonate desk is lightweight yet impact- and scratch-resistant
- 20³/₈" x 16³/₄" (518 x 425 mm) desk dimensions including shelf
- 22¹/₂" - 46¹/₂" (572 - 1181 mm), desk lip to floor
- Accessory shelf holds pencils, reeds, etc.
- Bolt-through desk attachment will last for years
- Larger 1¹/₄" (32 mm) outer post adds stability
- Easy friction height adjustment holds 11 lb (5 kg)
- Durable powder-coat paint or chrome finish
- Wobble-free base is 12-gauge welded steel for extreme stability

All Wenger stands are GREENGUARD Certified.

Transporting and storing Bravo stands is easy with our Move & Store Carts.

CLASSIC 50[®] MUSIC STAND

Our lightweight, polycarbonate stand that flexes but will never bend or dent like metal.

Wadena-Deer Creek High School, Wadena, Minnesota

CLASSIC 50[®] MUSIC STAND

This stand is the result of a half-century of experience with musicians and music educators. By thoroughly understanding your day-to-day needs and recurring problems, we've been able to create a music stand that delivers traditional elegance without all the traditional headaches.

- ✓ **Quiet, Rattle-Free Performance** – Polycarbonate desk and base are quieter than steel or aluminum.
- ✓ **Lightweight, Yet Durable** – At just under 5 lbs, moving them is a breeze.
- ✓ **Long-lasting Appearance** – Polycarbonate material won't scratch or dent, making them virtually "graffiti proof."
- ✓ **Protect Musicians** – Polycarbonate material and rounded edges means no sharp edges to worry about.
- ✓ **Protect Instruments** – No worrying about scratching or denting expensive instruments.

FEATURES:

- Polycarbonate desk is lightweight yet impact- and scratch-resistant
- 20" x 13½" (508 x 343 mm) desk dimensions
- 25" - 49" (635 - 1245 mm), desk lip to floor (shorter version available)
- Recess in desk for pencils, reeds, etc.
- Easy friction height adjustment holds 9 lb (4 kg)
- 1" (25 mm) thin post makes carrying two stands in one hand easy
- Bolt-through desk attachment will last for years
- One piece polycarbonate base for excellent durability

Transporting and storing Classic 50 stands is easy with our Move & Store Carts.

All Wenger stands are GREENGUARD Certified.

"We have had the Classic 50 stands for nearly a decade now and they are great ... they really do last. Despite the best efforts of many teenagers, the Classic 50 stands have survived ten years with flying colours."

– Denis Totton, Senior Music Coordinator, Methodist College, Belfast, Northern Ireland

ROUGHNECK® MUSIC STAND

The durable all-steel music stand.

Los Angeles County High School for the Arts, Los Angeles, California

ROUGHNECK® MUSIC STAND

Don't put up with music stands that keep letting you down. The RoughNeck features a durable all-steel design and a convenient trigger lock that allows for greater weight capacity than most other stands.

- ✓ **Strength of Steel** – 22-gauge steel desk with rolled edges adds strength.
- ✓ **Locking Height Adjustment** – Trigger lock easily holds 30 lb (13.6 kg) without releasing.
- ✓ **Sturdy Performance** – Balanced design means no tip-overs.
- ✓ **Protection of Musicians** – Bolt-thru desk attachment means desk cannot detach and cause possible injury. Rounded corners mean no sharp edges.
- ✓ **Protection of Instruments** – Rolled edges means no worrying about scratching or denting expensive instruments.

FEATURES:

- 12-gauge steel welded base for extreme durability
- 27" - 43" (686 - 1092 mm) desk lip to floor
- 20" x 12½" (508 x 318 mm) desk dimensions
- Wobble-free base attachment
- Trigger lock mechanism holds 30 lb (13.6 kg) without releasing
- Durable powder-coat paint finish
- Desk Material: 22-gauge steel desk with rolled edges protects instruments and resists bending

Transporting and storing RoughNeck stands is easy with our Move & Store Carts.

Features trigger lock for greater weight capacity.

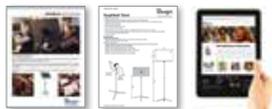

All Wenger stands are GREENGUARD Certified.

"The RoughNeck music stands are good quality – they're quite durable. I've used stands from other companies that didn't hold up very long."

– Oscar W. Wright, Director of Bands, R.B. Stall High School, North Charleston, South Carolina

PREFACE® MUSIC STAND

Our lightweight metal stand is also our most affordable.

Medford Elementary School, Medford, Minnesota

PREFACE® MUSIC STAND

The reliable, lightweight stand with an economical price. It features friction height adjustment and a wobble-free base. The recess in the desk tray allows for stands to nest tightly for storage.

- ✓ **Price** – Lowest price point of all Wenger stands.
- ✓ **Quick, Easy Storage** – Cut-out in desk tray allows stands to go directly from performance to cart storage without having to "flip" the desk.
- ✓ **Protection of Musicians** – Bolt-thru desk attachment means no unexpected mishaps.
- ✓ **Professional Appearance** – Formal, all-black design means no shiny posts or fasteners to detract from the performance.

FEATURES:

- 25" - 49" (635 - 1245 mm), desk lip to floor
- 12-gauge steel welded base for durability
- Wobble-free base attachment
- 1" (25 mm) thin post makes carrying two stands in one hand easy
- 13½" x 20" (343 x 508 mm) aluminum desk with one piece aluminum attachment bracket
- Easy friction height adjustment holds 9 lb (4 kg)

Transporting and storing Preface stands is easy with our Move & Store Carts.

All Wenger stands are GREENGUARD Certified.

"We had Wenger chairs and stands before – the only problem I ever had with them was not having enough."

– Gordon Haney, Band Director
Aldine Middle School, Aldine, Texas

UNIVERSAL TABLET STAND

Use almost any tablet as your music stand, with or without a case.

UNIVERSAL TABLET STAND

If your sheet music is no longer on a sheet but on your digital tablet, we have a music stand for that. Our Universal Tablet Stand tightly grips most tablets. You can change orientation easily. Built on the same trusted base as our Bravo® Music Stand.

- ✓ **Tight Grip** – Spring-loaded clamps and brackets secure your valuable tablet.
- ✓ **Portrait or Landscape Orientation** – Easily switch between orientations to suit your needs.
- ✓ **Solid Foundation** – The same strong, wobble-free base as our Bravo Stand protects your tablet from tipping over.
- ✓ **Adjustable Height** – Easy, one-hand height adjustment just like traditional Wenger music stands.

FEATURES:

- Holds most tablets from 5" - 13.3" (127 - 338 mm) in size and up to 1.25" (32 mm) thick
- One dimension of tablet must be less than 8.25" (210 mm)
- Secure holding
 - Spring-loaded finger clamps with rubber coating
 - Adjustable arms with side screw adjustment
- Friction height adjustment mechanism adjusts height from 29" - 50¼" (737 - 1276 mm) (floor to center of support)
- 360° rotation with locking positions in portrait and landscape orientations
- Self-tightening hinge for easy angle adjustment
- 1-year warranty on mount; 5-year on base/post

GIG STAND® FOLDING MUSIC STAND

Wenger's Gig stand is the most sturdy, solid, inventive portable music stand ever built.

Ball State University, Muncie, Indiana

GIG STAND® FOLDING MUSIC STAND

Three-legged base provides superb stability but with a small footprint — rare for a highly portable stand. The Gig Stand also features a lift arm that moves the desk up and down to accommodate the special needs of timpanists, bell choirs, and jazz musicians. It's designed to lock into solid positions that other portable stand makers didn't think possible. The Gig Stand also stands up to the weight of an oversized portfolio loaded with music. Why settle for a flimsy travel stand or an inflexible classroom stand that was never meant to travel? Just fold up this premier portable stand, grab the handle and go.

FEATURES:

- Unique swing-lift arm adjusts desk height from 10" - 42" (254 - 1067 mm), desk lip to floor
- Built-in carrying handle makes for easy traveling
- Durable powder-coat finish resists scratching and chipping
- 16-gauge steel tube and base
- Folds down to 4 7/8" x 24 1/2" x 20" (117 x 622 x 508 mm)
- 14" x 20" (356 x 508 mm) aluminum desk
- 9 lbs (4.1 kg)
- Five-year warranty

Gig Stand folds down – great for when you take your music on the road!

MISCELLANEOUS STANDS & ACCESSORIES

Unique stands and holders for musicians.

ACOUSTIC SHIELD

Effectively redirects potentially damaging sound energy. Portable design makes it easy to place in the best position. Unique cantilever arm extends over chair backs just behind the head of the musician. Folds compactly, with built-in carrying handle. Low-profile base provides excellent stability without interfering with feet or stands.

FEATURES:

- Large 23" x 17" (584 x 432 mm) shield surface for maximum diffusion
- Use at its higher position to deflect sound around a musician's head. Use it at its lower position to project French horn sound
- Adjustable height from 10" - 43" (254 - 1092 mm)
- Folds compactly with built-in carrying handle

143E102 Acoustic Shield

SIDE-MOUNT EXTENSION

Keep your tablet within reach and sight. Mount your tablet to the shaft of your music stand or mic stand with our Side-Mount Extension. Must be used in conjunction with our Universal Tablet Mount.

UNIVERSAL TABLET MOUNT

The perfect holder for most models of tablets. Clipping your tablet in place is easy and secure. No more resting your tablet on a stand, amp, floor, etc.

040A140 Side-Mount Extension
040A154 Universal Tablet Mount, Single

TUBA TAMER™

- Special design helps musicians control and properly position the instrument
- Liberates the musician to focus on technique
- Adjustable, vinyl-clad instrument support stand protects the tuba
- Height-adjustable
- Ideal for rehearsal and performance
- Great for storage and helps prevent damage due to frequent handling
- Assembly required

049E001 Tuba Tamer

The Tuba Tamer offers support while playing and is ideal for in-room storage.

CYMBAL STAND

Our freestanding Cymbal Stand holds cymbals at the ideal height for easy access and keeps them quiet until their big moment.

FEATURES:

- Accommodates cymbals up to 22" (559 mm)
- Chrome base with vinyl coating cushions contact points and eliminates vibration to keep resting cymbals quiet
- Easily adjusts to the perfect height for rehearsal or performance
- Tough vinyl coating prevents vibration during performance and protects cymbals when not in use
- Assembly required
