

# We Enable and Inspire Great Performances

**Wenger Corporation** designs and manufactures innovative, high-quality products and solutions for music education, performing arts and athletics.

As an international market leader, we provide the generous benefits and wellness programs you need, the opportunities for development and advancement you desire, and the corporate growth you rely on. And we wrap it all in a family-owned, small-company culture where your voice is heard, your name is known, and your impact is felt.
