Wenger®
Your Performance Partner

Everything about StageTek™ is an advancement. The refined, smart design is the result of extensive research, engineering and technical advancements in materials and manufacturing. Our staging system is lighter, stronger, easier to handle and faster to set up. When it comes to stretching your investment across multiple needs like seated risers and performance stages, StageTek sets a new standard. For unlimited flexibility, an extra set of legs stored under your deck is all you will need – that's why we make the legs strong, simple and inexpensive. Compare Wenger's StageTek Staging to any other option and see for yourself why your next stage or riser will be StageTek.

FAST, EASY, INTUITIVE SETUP

Round legs fit easily into corner pockets and become rock-solid with a single turn of a knob. The operation is completely intuitive. Anyone will know immediately how to setup StageTek without struggling with heavy folding understructures, or connections that require fussy alignment.

Plug-n-play leg connection is simple and fast. No tools. No folding frames or pins to align. As much as 20% faster and 15% lighter compared to alternative systems.

ENHANCED SAFETY & HANDLING COMFORT

StageTek's decks are at least 15% lighter than competitor systems and easier to grip, reducing potential for injury to your crew. StageTek allows for an ergonomic, secure and safe grip around the entire perimeter of the deck frame and is sized and contoured for maximum comfort.

IMPROVED STORAGE & MOBILITY

Our rugged cart moves it all. Six decks and multiple sets of legs all on one easy moving cart. In fact, StageTek stores in 50% less space than some other competing products. Underneath a StageTek setup you have a wide open space unencumbered by frames and braces, opening up as much as 70% storage space under your decks.

MORE STRENGTH & STABILITY

Our strongest stage deck ever has improved load ratings for the three most important load measurements. Compared to similar products, StageTek is the only system that exceeds performance expectations for uniform load, side load and point load.

UNIFORM LOAD

6 kN/m² to 9.6 kN/m²
based on deck size and features.

DYNAMIC LIVE LOAD

Side load of 15% of total Uniform Live Load which equals 2.7 kN side load on a platform under a total Uniform Live Load of 17.8 kN.

POINT LOAD

6.7 kN applied via 2.5 cm diameter pin.

DURABLE & REPAIRABLE

The lack of any folding connections in our design eliminates the source of loose parts, noisy rattles and failures. Components can be easily replaced to keep your decks fresh and new looking. With a 5-year warranty, simply the best peace-of-mind that your investment is covered.

STAGETEK™ STAGING SYSTEM

EASY SET-UP, MAXIMUM FLEXIBILITY

Flexibility between configurations and heights is all about the legs and that's why we made them simple, strong, easy to use and inexpensive.

DECK STORAGE AND TRANSPORT

SET UP

PLATFORMS

TIERED SECTIONS

Pie-shaped decks give you unmatched flexibility to create a variety of configurations.

FLAT OR MULTI-LEVEL STAGES

Setting up single- or multi-level stages is fast and easy with various sets of legs, and Wenger's articulating stairway adapts to virtually any height you need.

SEATED RISERS

StageTek allows you to create seated risers for any event. StageTek can also be configured into rectangular seated riser setups. You can further enhance your setup with side and front closure panels for a finished look that also keeps dust and litter from collecting underneath.

**Tiered Seating • Graduation Stage • Runways • Event Staging
• Presentation Platforms • Drum Riser • Stage Extensions • Theatrical Sets**

Wenger®
Your Performance Partner

With a single set of StageTek decks and interchangeable legs of different lengths, you can create just about any staging setup you need in no time. The StageTek concept is simple. Instead of attached legs, StageTek decks have optional sturdy retention clips that store and transport interchangeable legs. By using legs of different lengths, a crew of two can turn StageTek into multilevel stages, seated risers, runways, speaker platforms, graduation stages, and just about any other configuration you can imagine.

VARIETY OF DECK SIZES, SURFACES AND LEG TYPES

LEG OPTIONS

FIXED HEIGHT LEG SIZES

20 cm 40 cm
60 cm 80 cm
100 cm
Available in any height

ADJUSTABLE LEGS

Available from
10 cm - 304 cm in height

TELESCOPIC LEGS

40 cm - 70 cm
60 cm - 100 cm
80 cm - 140 cm

DECK OPTIONS

STANDARD DECK SIZES

100 cm x 100 cm: 17 kg
100 cm x 200 cm: 39 kg

Pie shaped and custom decks are available.

Shown with center leg option for heavy duty use.
Available on 100 cm x 200 cm deck only.

A crew of two can set up an entire StageTek stage — with accessories — quickly. StageTek goes up without pins, tools or separate assemblies. Just slip the legs into the sockets and tighten.

SURFACE OPTIONS

StageTek Staging features a variety of surface options that won't curl or peel up like common laminated surfaces. Tough and long-wearing surfaces also provide excellent traction, even when wet.

1/4 Round Deck

Tri-Corner

STAGETEK™ STAGING SYSTEM OFFERS MULTIPLE CONFIGURATIONS

TYPICAL STAGING SETS

Wenger offers complete StageTek staging sets tailored to your needs. As your needs change, you can simply order additional leg sets to accommodate new height requirements.

This is a small sample of what you can create.

Typical sets can include any or all of the following: Two stairways with double handrails, drapery closures, guardrails and a universal cart — all the finishing touches needed for most applications.

SEATED RISERS

Seated risers that are strong, versatile and easy-to-set-up. Extensive research, engineering and technical advancements in materials and manufacturing have resulted in a seated riser system that is lighter, stronger, easier to handle and faster to set up. StageTek sets up with just a small crew and no tools. Use StageTek in rehearsal rooms as a way to elevate seating for better sightlines without losing any of the cubic volume critical to good acoustics. Plus, StageTek Seated Risers don't reduce the cubic volume of your space like poured concrete risers which hurts your acoustics.

UNIVERSAL MOVE & STORE CART

Universal Move and Store Cart – For Decks and Guardrails.

10-unit horizontal cart kit also available.

ACCESSORIES

PLUG-N-PLAY LEGS AND CENTER LEG OPTION

StageTek Staging allows you to have the flexibility to create a concert stage with presence. And by using legs of different lengths, you can easily and affordably add touches like a raised percussion area.

Leg Retention
Clips

Shown with center leg option
for heavy duty applications.
Available on 100 cm x 200 cm model only.

Fixed Height, Adjustable
Legs and Telescopic Legs

CLAMPS, CONNECTORS AND BRACES

Each deck comes standard with two leg straps. Optional Retention Clips mount under the deck to provide leg storage and variety of metal leg to leg, leg to deck, overlap and anchor brackets are available. Stabilizing braces are recommended for certain configurations and heights over 140 cm and above. Optional deck-to-deck cam locks are built into the deck frame. Cams can be locked or opened via a small tool access hole on top of the platform. Center leg available for heavy-duty applications.

INCLUDED

Velcro Leg Strap

OPTIONAL

Leg-to-Frame
Connectors

Leg-to-Leg
Connectors

Low-Rise
Bracket

Stage
Anchor

Leg
Retention
Clips
(set of 4)

Not shown: Overlap Bracket Available

Connection brackets determined by layout. Please consult with your Wenger Representative for suggested options.

ROLL-A-DECK KIT

Transform your StageTek Staging into a rolling riser. Easily supports heavyweight instruments like drums, keyboards or production equipment. Ideal for applications that require rapid setups and changeovers.

GUARDRAIL WITH INFILL PANEL

STANDARD GUARDRAIL

STANDARD GUARDRAILS AND OPTIONS FOR INFILL PANELS

Guardrails are 107 cm high and available in 100 cm or 200 cm widths, black powder paint finish and comply with IBC requirements for loading, featuring two uprights and two cross bars. An optional infill panel can be added that complies with the IBC 10 cm sphere code. Guardrails clamp to the stage without the need for tools and function as a chair stop.

Removable
Chair Stops

Semi-Permanent
Chair Stops
(Installation requires
drilling into decks)

NO TOOLS REQUIRED

DRAPERY AND CLOSURE PANELS

Drapery is available in heights to match the staging elevation and in a wide variety of colors. Drapery is Flame Retardant woven polyester. Solid closures are ideal for seated riser systems and connects to the rail without tools.

STAIRWAYS

DUAL-HEIGHT STAIRWAY

Available in 2-, 3- or 4-step units
include handrails and safety treads.

BOX STEPS

Configured to work with your StageTek Audience Seating.
Custom widths and heights available.

MID-RAIL

Easily attaches to StageTek decks for use
with audience seating applications.

ARTICULATING STAIRWAY

Variable-height stair units include removable
safety and handrails treads. Available in
3-, 4-, 6- and 8-step models.

GENERAL QUESTIONS WHEN CONSIDERING STAGING, SEATED RISERS AND SPECIALTY PLATFORMS

Staging systems usually satisfy a variety of department and administration needs. Getting input from other departments and your administration will ensure that your staging accomplishes all your objectives.

Q: What size of stage/riser are you interested in? _____ Width _____ Depth _____ Height _____

Q: Where will the stage/riser be used? (Auditorium, Gymnasium, Outdoors, etc.) _____

Q: What type of top finish is being requested?

☐ Black Cracked Ice ☐ Black Moroccan ☐ Black Quadriple ☐ Natural Hardboard ☐ Grey Carpet

Q: What accessories are requested?

☐ Move and Store Cart ☐ Guardrails ☐ Stage Skirting ☐ Portable Disability Ramp ☐ Stairways

Q: What types of groups will be using the stage/riser? (graduation, music concerts, dance, theatre classrooms, etc.) _____

Q: What will be the load requirement? (heavy loads like a grand piano, show choir, etc.) _____

Q: What is the range of audience size that will view this stage/riser? _____

Q: What are the dimensions of the room or area in which you plan to put the stage/riser? Consider multiple areas and include ceiling height. _____

Q: What is the size of your group that will be seated on the risers? _____

Q: What height(s) or height adjustment(s) is/are needed? _____

Q: Where will the equipment be stored? _____

Q: What is the smallest door the units must pass through? (Be sure to measure height and width) _____

We will help you define uses and space requirements and make sure you understand the many options. Then we'll follow through with a smart design and a realistic estimate.

LIMITED WARRANTY

Wenger StageTek products are guaranteed free of defects in materials and workmanship for five full years.

MORE THAN 60 YEARS OF EXPERIENCE GUARANTEES YEARS OF SATISFACTION.

Wenger Corporation was founded in 1946 to provide innovative, high-quality products and solutions for music and theatre education, performance and athletic equipment storage and transport. We have spent more than 60 years listening to what our customers need and then designing and developing durable, functional products to meet those needs — products that enhance any program and deliver what they promise year after year.
